VICTORIA, AUSTRALIA

Telephone 154 Canterbury

GENERAL REMARKS.

I HAVE much pleasure in presenting my SPECIAL PRICE LIST for the Trade only, and avail myself of the opportunity to thank you for the support accorded me during the last twenty seasons. I shall continue to do my best to merit your favour and recommendation.

My Nurseries are situated at Emerald. Railway Siding and Office are at New Nurseries, half-a-mile from Emerald Railway Station, on the Ferntree Gully and Gembrook line. The Nurseries are now 200 acres in extent, and contain over two and a half million trees in various stages. The soil is particularly suitable for producing nice fibrous-rooted trees, thus ensuring a safer removal to other places.

My stock of saleable trees this season is fully ONE MILLION, all being perfectly clean, healthy, free from all insect pests, and should give every satisfaction.

All trees are most carefully packed for transmission to any part of the world, so as to ensure their arrival in good order.

Orders will be booked at any time from now, and executed in the end of May or beginning of June. Every order is immediately executed on receipt of same, or acknowledged. If no reply be received within a few days, it may be assumed that the letter has miscarried.

The prices quoted are for Cash within one month of receipt of invoice.

Unknown Correspondents are kindly requested to remit with their orders, or to name a Melbourne reference.

Payments may be made by crossed cheque, bank draft, or post office order, the latter payable at Melbourne. Small amounts may be forwarded in postal notes or in stamps.

General Descriptive Catalogue will be posted on 1st March.

C. A. NOBELIUS.

To my Trade Customers, Nurserymen, and Others who make it their business to Sell Fruit Trees.

The GEMBROOK NURSERIES are the most extensive in the Australian Commonwealth, and the Proprietor desires to do his utmost to protect the interests of the Trade by keeping strictly to Retail Prices with others, and not in any way interfering with the Trade's Customers by canvassing for orders among Planters. And, further, I have no interest financially in any Company dealing in Trees.

Yours faithfully,

C. A. NOBELIUS.
